

AUTO COLLISION ADVANCED TECHNICIAN ASSOCIATE IN SCIENCE DEGREE

https://www.curricunet.com/Cypress/reports/program_report.cfm?programs_id=1672

PROGRAM CODE: 1S42345

Financial Aid Eligible

The **Auto Collision Advanced Technician Associate in Science Degree**: This degree combines Auto Collision 3 and Auto Collision 4 certificates and general education, which prepares students for advanced-level technician work as well as positions in management and sales in the Auto Collision Repair industry. Courses in this program include management and sales, advanced structural repair, advanced paint and refinishing, electrical systems, and damage appraisal. Training is given in both theory and practical skills. The combination of management and technician skills aligns with all aspects of the automotive industry to include insurance and sales. To earn an Associate Degree students must complete: (1) all major course requirements with a grade of C or better; (2) Cypress College Native General Education requirements; California State University General Education Breadth requirements (CSU GE Breadth) or IGETC General Education requirements; (3) the Social Justice, Equity and Sustainability and reading requirements; (4) any elective courses to complete a minimum of 60 units; and, (5) have a minimum GPA of 2.0. At least 50% of all course work must be completed at Cypress College. Courses that fulfill major requirements for an Associate Degree at Cypress College might not be the same as those required for completing the major at a transfer institution offering a Baccalaureate Degree. For information on specific university requirements, please consult with your counselor or visit the Transfer Center. This degree requires a total of 35 units.

Code	Title	Units
Required courses are in suggested sequence (35 units):
