

T-TEN CERTIFIED TECHNICIAN CERTIFICATE

Division: Career Technical Education

PROGRAM CODE: 1T40221

The **T-TEN Certified Technician Certificate** is designed to prepare students for employment as automotive technicians in Toyota and Lexus dealerships. Training is given in theory and practical skills. Directed practical work is given in all areas of automotive maintenance and repair under simulated on-the-job conditions. Particular emphasis is placed on those competencies required of Toyota technicians. The program will provide the student the opportunity to acquire the knowledge and skills demanded of the modern Toyota technician. The sequence in which courses are taken may not be modified to meet individual needs. To earn a certificate, complete the required courses as listed with a grade of C or better. All course work must be completed at Cypress College. This certificate requires a total of 34 units.
