

CE INSTRUCTOR TRAINING ASSOCIATE IN SCIENCE DEGREE

Division: Career Technical Education

Program Code: 1S42160

Financial Aid Eligible

The **CE Instructor Training Associate in Science Degree** (Career Education (CE; CTE) Teacher Training program) provides current and aspiring Career Education educators and students with course work to enhance their teaching expertise and to further their professional goals. Students completing this certificate will acquire highly useful technical skills, pedagogical expertise, and historical/contemporary knowledge of the increasingly significant Career Education opportunities in high schools, regional occupational, continuing, and higher education. To earn an Associate Degree, students must complete all graduation requirements to include (1) all major course requirements with a grade of C or better; (2) Cypress College Native General Education requirements; California State University General Education Breadth requirements (CSU GE Breadth) or IGETC General Education requirements; (3) the social justice, equity and sustainability and reading requirements; (4) any elective courses to complete a total of 60 units; and, (5) have a minimum GPA of 2.0. At least 50% of all major course work must be completed at Cypress College. Courses that fulfill major requirements for an Associate Degree at Cypress College might not be the same as those required for completing the major at a transfer institution offering a Baccalaureate Degree. For information on specific university requirements, please consult with your counselor, visit www.assist.org or visit the Transfer Center. This degree requires a total of 21-25 units in the major in addition to other graduation requirements.

Code	Title	Units
------	-------	-------

Required Core: Complete nine units of CE Teacher Training coursework (9 units):
