Course Repeatability Limitations

Effective 2013, most active participatory courses in Art, Dance, Theater, Music, and Physical Education are no longer repeatable. The courses in the table below are related in content and therefore have been identified in distinct “family” groupings in which students are limited to a maximum of 4 course enrollments per family (withdrawals and substandard grades will be counted towards the 4 enrollment maximum). Note: Exceptions for courses still designated as repeatable are indicated in course descriptions of the college catalog and class schedules with the statement, “May be taken for credit ____ times.” If students are majoring in any of these disciplines, they are advised to see their counselor to discuss options.

Discipline	Family/Related Courses	Courses Related in Content
Dance ¹	Ballet	DANC 105 C, DANC 106 C, DANC 116 C
	Modern	DANC 107 C, DANC 108 C, DANC 117 C
	Jazz	DANC 111 C, DANC 112 C
	Tap	DANC 113 C, DANC 114 C
	Performance	DANC 141 C, DANC 142 C, DANC 143 C, DANC 144 C
Dance Exceptions	Courses Maintaining Repeatability CSU, UC Required courses 1 Plus 3 Repeats	DANC 205 C - Ensemble

¹ Students are limited to four (4) semester enrollments — in Active Participatory courses — whether in a single course or in a combination of courses grouped within a family. All enrollments in courses (including enrollments in the same repeatable course) within a family count toward the maximum enrollment limitation of four (4) semester enrollments. This includes evaluative (A, B, C, D, F, P, NP) and non-evaluative (I, IP, RD, and W) grades earned. All letter grades received will be counted in GPA.

Dance Transfer Program

Students should consult a counselor or www.assist.org for lower division major requirements for most California public universities. (See the Standard Definitions section of the catalog for a description of ASSIST.) Students transferring to an independent college/university should consult the catalog of the individual school and a counselor for lower division major requirements.
