

ENGINEERING TECHNOLOGY

Division: Science/Engineering/Mathematics

Division Dean

Patricia Menchaca

Faculty

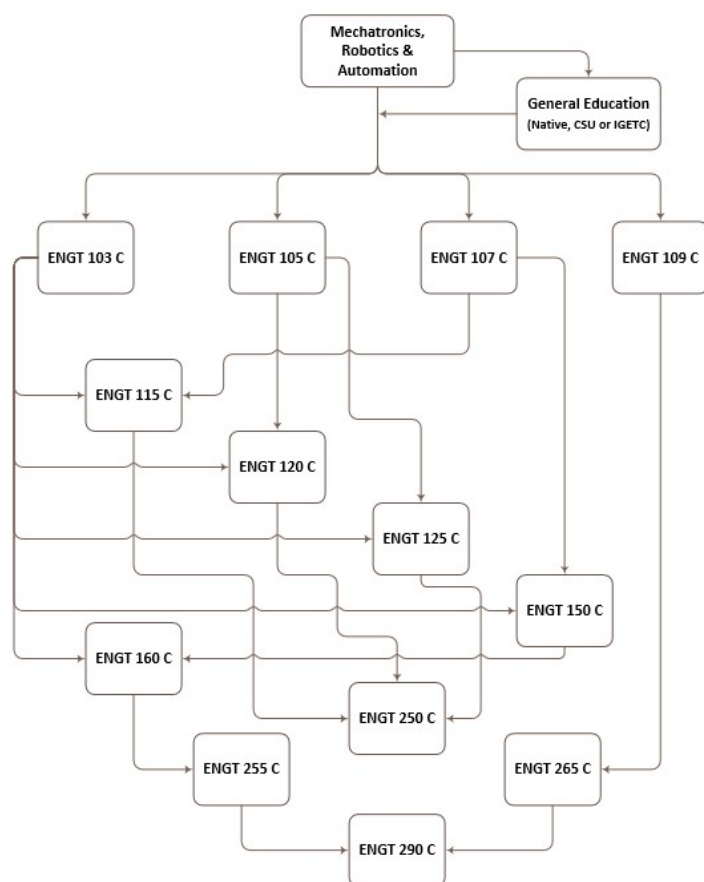

Massoud Saleh

Counselor

Ernesto Heredia

Engineering Technology Transfer Program

Students should consult a counselor or www.assist.org for lower division major requirements for most California public universities. (See the Standard Definitions section of the catalog for a description of ASSIST.) Students transferring to an independent college/university should consult the catalog of the individual school and a counselor for lower division major requirements.

The courses taught by this department contribute to the following ISLO/PSLOs: A-Breadth of Knowledge, Competencies, and Skills; specifically, the
