

# IMAGING TECHNOLOGIST ASSISTANT CERTIFICATE

---

**Program Code:** 1C10449

The Imaging Technologist Assistant Program prepares a student for an entry-level position as an imaging assistant in a health care facility such as a hospital, private physician's office, or clinic. This program can be completed in one year. To earn a certificate the student must complete the 16 units of required courses with a minimum grade of "C". At least 50% of all course work must be completed at Cypress College.
