General Studies: Fine Arts

A.A. Degree

Program Code: 1A18452

The Associate of Art Degree in Fine Arts provides students with a scope of knowledge and broad overview for attaining the communication skills, practical knowledge, and training necessary for a variety of careers in the Fine Arts area. Students completing this degree will develop a basic understanding of the arts and how they interrelate. The Associate of Arts Degree in Fine Arts empowers the student to see Humanities, Math, Science, Engineering, Business and Career Technology through the prism of the arts. Key concepts in general education are reinforced by their connection to the arts. Bridging the wisdom of the ages with contemporary innovations, this program offers a well-rounded education with insight to opportunities in our modern world.

Requirements for the General Studies Degree in Fine Arts

Requirements for the General Studies Degree in Fine Arts are listed under the Interdisciplinary Studies section of this catalog, and include:

- Completion of 25 units of general education;
 - Three (3) units of Social Justice, Equity, and Sustainability. These units must be chosen from the Social Justice, Equity, and Sustainability list;
 - Completion of Reading Proficiency requirement;
 - Completion of at least 18 units. (Note: Where appropriate, courses may also be counted for a GE area). At least 50% of all course work must be completed at Cypress College;

Multiple Degrees: A student may earn multiple degrees from Cypress College. However, please note the following:

- Students may earn an Associate Degree for Transfer (ADT) and an Associate Degree (AA) in Liberal Arts with an Emphasis in the same discipline but only if they apply to graduate and complete course work for both degrees at the same time.
- After earning an Associate Degree in Liberal Arts with an emphasis, students may earn an ADT in the same discipline.
- After earning an ADT, students may **not** earn an Associate Degree in Liberal Arts with an emphasis in the same discipline.
- Students who have already been awarded an Associate Degree or higher from another accredited college or university in, or outside of, the U.S. are not eligible to receive an Associate Degree in the same major from Cypress College. Petitions for exceptions are reviewed on a case-by-case basis.

Prior Completion of General Education: Students with an earned associate, baccalaureate or higher degree from a regionally accredited institution of higher learning will not be required to complete any additional general education coursework to earn an Associate degree. Students who have been admitted to a Bachelor Degree program at Cypress College and who have already earned a baccalaureate or higher degree from a regionally accredited institution of higher education shall not be required to complete additional upper division general education requirements and shall be required to complete only the coursework necessary for graduation.

*Students still need to meet Social Justice, Equity and Sustainability graduation requirement
