

HEALTH SERVICES

As a registered student at Cypress College you are eligible for basic health services at your Health Center. The Student Health & Wellness Center's mission is to support the health, wellness, resilience and thriving of each student. The Health & Wellness Center provides: medical and mental health counseling appointments; resources to on-campus and community resources; referrals for long term care; with the ultimate goal of each student taking responsibility for their own health and well-being.

There is no charge to see the Physician, Nurse Practitioner, MH Counselor, or Nurse. Nominal fees will be assessed for lab tests, immunizations, medications, and special exam procedures.

Appointments are recommended, emergencies will be triaged on arrival.

All students are covered by accident insurance policy which provides coverage for accidents while on campus during required attendance and while using college-sponsored transportation to and from college activities (private insurance is always primary).

Please come to the Health & Wellness Center located **in Building #17, across from Gym 2/old H& W Center site in parking lot #4; Mental health services are being offered on the 2nd floor of Gym 2 in Room 206 & 207**

or by calling (714)484-7361, or stop by the Health Center website, Health Center Portal, canvas shell or our Instagram and Twitter/X sites.
