

GEOGRAPHY ASSOCIATE IN ARTS DEGREE

PROGRAM CODE: 2A03884

The **Geography Associate in Arts Degree** is designed to provide students with an introduction to both physical and human areas of geographic studies. It provides students the background knowledge needed by undergraduate geography majors for university transfer and coursework. This degree is excellent preparation for careers in international fields, law, science, environmental work and cultural diversity programs. The geographic perspective provides lifelong tools for interpreting the world's complex systems and world events. This degree requires a total of 19 - 20 units in the major in addition to other graduation requirements.
