## DRONE BUSINESS AND ENTREPRENEURSHIP CERTIFICATE

**Division: Technology and Engineering** 

PROGRAM CODE: 2C44439

The **Drone Business and Entrepreneurship Certificate** is designed to prepare students with key considerations for starting and managing a drone business. Students will earn their commercial drone pilot's license and be guided through solid business planning. Upon program completion, students will have their professional license, a business plan, and the skills necessary to seek funding in order to start or expand a business. This certificate requires 12-15 units. A grade of C is or better required in each course taken.
