Program Level Student Learning Outcomes

Outcome 1: Interpret advanced music theory and sight singing techniques through vocal exercises, and musical theatre literature in order to demonstrate advanced understanding of auditioning as a professional in musical theatre.

Outcome 2: Organize, evaluate and demonstrate an understanding of professionalism and preparation for the musical theatre audition process.

Outcome 3: Analyze and interpret genre, time period, and stylistic devices in written texts from a variety of cultural traditions for the purpose of character study and elevated performance in musical theatre.
