

CATALOG ARCHIVE

Previous versions of the North Orange Continuing Educations (NOCE) catalog are made available because the courses required for a specific certificate may change from one catalog to the next and, therefore, may change during the period of time that a student attends NOCE. Catalog rights, established when a student first takes classes at the college, protect the student from being held for additional requirements that may be added to a later catalog.

For more information, see the "Catalog Rights" section of the catalog.
