

# ADULT EDUCATION BLOCK GRANT (AEBG)

---

**AEBG 110****30 Hours****Love and Logic Parenting Children with Special Needs**

This course is designed to support adults parenting or working with youth having disabilities by developing practical skills for reinforcing the expectations their children experience at home and in school. Utilizing the Love and Logic approach, this course will teach four subsets of skills that encourage home environments that stimulate positive relationship development, empathetic listening, realistic goal setting and encourage independence. The information included is intended for those already having a strong understanding of the Love and Logic approach. *(Grant-Funded)*

**AEBG 112****36 Hours****Love & Logic: Supporting Youth with Challenging Pasts**

This course assists parents, caregivers and professionals in understanding how trauma and hurtful events affects a child's brain. Students will learn the importance of bonding and relationships, and how to address root causes of a child's behavior through practicing empathy, establishing boundaries and building healthy relationships. *(Fee-Based)*
