## Mature Driver Improvement

The Mature Driver Improvement course provides instruction, specifically tailored to older drivers, regarding defensive driving and California motor vehicle laws. During this course, information is provided on the effects that medication, fatigue, alcohol, and visual or auditory limitations have on a person's safe driving ability. Present the DMV certificate to your insurer as proof that you have completed the course. Mature drivers age 55 or older, who successfully complete an approved Mature Driver Improvement Course, may qualify for reduced motor vehicle insurance premiums. (*Apportionment*)
